

2006

June 1 begins a new church year with a new budget, officers & a renewed desire to continue God's work at Victory Church. Isaiah made it clear that God wanted to do a new thing for the Jewish people. It would be something different from anything He had ever done before. I wonder what new thing God may have in store for His people at Victory Church?

This summer will be a tremendous opportunity for young & old alike. The details of God's plan can be found in this issue of "The Voice of Victory." You don't want to miss every bit of information available as we stay informed.

Thanks for your faithfulness & cooperation as we serve the Lord together.
