

FOR UNTO US A CHILD IS BORN

ISAIAH 9:6

"The one who calls you is faithful and he will do it." I Thess. 5:24

November 2007

Dear Friends,

We want to wish you Holiday Greetings, and we trust that this season will bring you much joy as 2007 fades into memory and a new year awaits. What will it bring?

As we look back on 2007, we are filled with many emotions. We have experienced the joy of reunion with family and friends after two years of separation, but we have also had the sadness of leaving many friends behind in Africa. But make no mistake, we have seen God's hand at work this year. We didn't know what to expect upon arriving back, but God has taken care to meet our needs. Our church worked wonders to get our house in excellent condition for our return. The two vehicles that we left in storage run fine, and we were provided with another vehicle in better condition for our travels. As for work, there was no delay in finding jobs once we got here. Meredith is teaching science at Florence Middle School, and David is working for a landscaper. Elizabeth, Abby, and Karissa have settled into school, but want to return to Africa.

Since arriving back in the states, we have had our share of traveling. We have driven more than 5000 miles, have made contact with more than 30 churches, and made presentations in 9 churches. Currently our support level is at around 40% of where it needs to be in order to return to Kenya in August 2008, and we are praying and trusting that God will make our path straight.

As we look to 2008, we see many more miles to go, and many new people to meet as we continue to put together a team who will support us with their prayers and giving. We do want to express a HUGE thanks to all of you who have been lifting us in your prayers and supporting us financially. Without you, these last few years would have been impossible.

Please Pray

- 1. Pray that God will grant us safety in travel and keep our Dodge Caravan running well.*
- 2. Pray for our children to thrive as they must navigate the challenges of living in two worlds.*
- 3. Praise God for his faithfulness in meeting our needs.*
- 4. Pray that we will reach our target support so that we may return at our scheduled time.*

If you are not already involved, would you consider being a part of our team of supporters by either praying or giving? If so, please fill out the below card and send it to us or to Africa Inland Mission.
