Volume 6, Issue 2

Dear Supporters, Family, and Friends,

We would like to offer our sincere thanks and praise to all of you for the wonderful ways in which God has used you to bless us. Your prayers and giving confirm that you are behind us. In the last two months, we have seen our support level increase from about 55% to 67%. This is great progress.

As many of you remember, in our last newsletter we reported that our target date of departure was August 4. By now it is apparent to most that we are **still in America**. Normally we don't talk much about money, but because many have asked, we felt it necessary to describe our current needs. It is a requirement of Africa Inland Mission that we remain stateside until we reach 100% support. We are still in need of around \$2000 in monthly support in order to return. For those of you who are mathematically inclined, pray that God would raise up 40 people willing to pledge \$50 per month (or some such variation).

Pray for RVA. While they wait for us, they must fill our positions with the limited staff available. This year there are fewer staff than normal who are scheduled to come, so resources may be stretched.

Meanwhile, we are starting this school year at Florence. Meredith will be teaching seventh and eight grade science, and David will continue to work in landscaping and to pursue MCSA certification. And we wait... Please understand, **we want to return to RVA** so badly that we can taste it. Yet, we pray that God's will be done and trust that He will guide us and grant us peace.

Ways that you can help us return to Kenya:

1. Pray for us earnestly and regularly.
2. Become a monthly supporter. All money sent (past, present and future) to Africa Inland Mission is tax deductible, and will be used to benefit us.
3. Contact your pastor and request that we be given the opportunity to speak at your church.
